The Artifact: A One-Minute Odyssey Across Infinite Realities

☑ The primary delivery mechanism for the TrueFlow Multiverse is a sixty-second cinematic short featured in Bibebibebibe™ Magazine. It condenses an entire cosmos of imagination into a highly concentrated, visually kaleidoscopic journey. It is accompanied by a cosmic ambient soundscape, requiring audience immersion to decode.

The Narrative Anchor: Dr. Melvin Sewell

Across every shifting iteration of the TrueFlow Multiverse, one element remains unchanged. Dr. Melvin Sewell acts as the structural constant—a figure of intellect, curiosity, and adaptability navigating the chaos.

The Mechanics of Reality: Echo-Rift Formation

Realities do not merely exist; they are born from the violent intersection of opposing multiversal currents.
